

Activity: Evaluating Information on Websites

Step 1: Comparing information

Website	Website Creator	Information Given

Step 2: Drawing Conclusions

1. Based on the information you found, what conclusions can you make about the use of guarana in energy drinks?
2. What differences did you find in the information that was given on the websites that you evaluated?

Step 3: Making Recommendations

1. What recommendation would you give to the committee about providing energy drinks in the school canteen?
2. What reasons would you give the committee to support your recommendations?
