

9.8 Reflecting

Theatre Arts 20

Reflecting Questionnaire & Personal Journal

Objective

Students will relate feedback from the work placement.

Process

Students provide feedback about work placement including: where they were placed, type of business, duties, most rewarding experience, most difficult situation and how they handled it. It is recommended that each student send a thank you note or card to the employer upon the completion of each work placement.

Assessment

Students will have a valuable set of data to place in their Theatre Log and may be assessed in that context.
