Things to Consider As You Embark On the Work Activity

1. Student Preparation

a) Preparation

b) Parental Consent Form

c) Review role and responsibilities of students.

- Arrange to be able to attend rehearsals if possible, or to be present to witness setup
- Prepare and maintain a log.
- Relate the activities from the theatre arts to the work exploration/work study component.
- Express appreciation to co-workers and employer supervisor.
- Notify the teacher of any on-the-job problems/concerns.
- Arrange transportation to the work site as outlined in the School Division policy.
- Recognize that the placement may be discontinued.
- Respect the confidential nature of information within the work placement.
- Immediately report errors made to the employer/workplace supervisor.
- Participate in program evaluation at the end of the course.
